DETAILED ACTION

1. This action is responsive to amendment filed 05/05/05.
2. Claims 1-30 are pending in the application.

Reasons For Allowance

3. The following is an examiner's statement of reasons for allowance:

Claims 1 and 26, the prior art does not teach simulating hair by associating at least one seed with each grid element; generating the hair in real time, wherein at least one hair extends from the seed, a portion of the hair extending beyond boundaries of the grid elements; smoothly transitioning in real time from close-up views to distant views of the hair by utilizing different surface detail modeling associated with different sets of viewing parameters.

Claims 8, 15, the prior art does not teach the surface detail extending from each seed which being located in each grid element so that a portion of the surface detail extends in a direction that has a perpendicular component to a plane formed by the mesh grid element, rendering the surface detail, including smoothly transitioning in real time from close-up views to distant views of the hair by utilizing different surface detail modeling associated with different sets of viewing parameters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
